THE NEWBERRY LIBRARY

REPORT

OF

THE TRUSTEES

OF

THE NEWBERRY LIBRARY

FOR THE YEAR 1906

CHICAGO
1907

REPORT OF THE PRESIDENT.

CHICAGO, January 1, 1907.

To His Excellency Charles S. Deneen,
Governor of the State of Illinois,
Springfield, Illinois.

Sir: In accordance with the provisions of an Act entitled: "*An Act to encourage and promote the establishment of free public libraries in cities, villages, and towns of this State*" (Illinois), approved June 17, 1891, under which this Corporation is organized, the Trustees of The Newberry Library submit their fifteenth annual report, for the year 1906.

The Trustees and Officers of the Library, with members of the Standing Committees, are given in Exhibit I.

Exhibit II presents a list of the Trustees from the organization of the Library in 1892 to the present time.

The annual report of the Librarian, appended and marked Exhibit III, presents the general condition of the Library.

Its general Statistics are given in Exhibit IV.

The increased usefulness of the Library to the public is shown by the valued accessions made to our Collection during the past year, both by purchase and gift and by the attendance in the several departments, as stated in this Report. Special mention should be made of the purchase of a Collection of 1,200 volumes relating to the history of the Netherlands, being the life-work of an intelligent collector. This comprises largely the materials for a complete early history of this interesting nationality. Another important purchase was a Collection of 1,140 volumes concerning the history of France, especially full as to the earlier days of the French people, and of great value to all writers aiming to produce a full history of this nation, or of special periods in

its development. Of interest in other departments may be noted the purchase of 400 volumes of Teubner's series of Greek and Roman Classics; 133 volumes of the Critical Review, an English publication extending from 1756-1817; 35 volumes of the Proceedings of the Society of Antiquaries of Scotland; 68 volumes of British and Foreign State Papers, and 58 volumes of the Journal of the Numismatic Society.

The established usage of purchasing for the Library all County, Village or Town Histories and Biographies has been followed during the year. The Index of this Department has now reached 1,103 folio volumes, containing 1,095,000 references. These volumes are consulted constantly by students of American History, and by genealogists both at home and from abroad. The collection of such works now possessed by the Library is large and constantly increasing in value.

Special mention should be made in this Report of an event in the history of The Newberry Library which, while removing one of our Departments and thus diminishing the number of volumes and students, is meeting a legitimate demand in favor of the best interests of the Medical Profession. Early in the history of The Newberry Library, in the absence of any general collection of works on this subject and in response to a desire expressed by members of the Chicago Medical Society, a Medical Library was established as one of the Departments of the Library. From its opening it met a need in our city, and its usefulness and influence were acknowledged. In the foundation of The John Crerar Library, it was wisely decided to make it a Reference Library of Science. Medicine was naturally included in its scope, and the Profession has recognized its central location in our City, as eminently desirable for the convenient use of such a Collection.

After full discussion by the Trustees of the respective Libraries, a transfer of the Medical Department of The

Newberry Library to The John Crerar Library was unanimously decided upon. It took place on February 7th, at which time The John Crerar assumed possession thereof. The Collection, at that time, consisted of 28,432 volumes and 15,907 pamphlets accessioned, with 979 duplicate volumes and 6,188 duplicate pamphlets. Besides these, some 3,150 volumes and pamphlets on chemistry and the natural sciences were included, as also the catalogues and other records of this Department. At the same time, with the consent of Dr. Nicholas Senn, his valuable Collection, which had been presented to The Newberry Library, was transferred. This consists of 10,689 volumes and 14,501 pamphlets. The Newberry Library further agreed to allow the use of the rooms occupied by this Department, free of rent, until the completion of the permanent building of The John Crerar Library, the latter assuming in the meantime all expenses of its administration.

Exhibit V presents the location of the several Departments of the Library, and Exhibit VI a list of the Donors and their Donations during the past year.

In addition to the usual acknowledgment made by the Librarian to each Donor, the Trustees would herewith offer special thanks to the friends who have generously presented to the Library these valuable publications.

Exhibit VII presents a statement of the Assets of The Newberry Library and its Real Estate, with total expenditures for books, periodicals, pamphlets, etc., and fittings of the Library, from its foundation to date.

Respectfully submitted,

E. W. Blatchford,

President.

ANNUAL REPORT OF THE LIBRARIAN.

The Librarian has the honor to submit to the Board of Trustees of the Newberry Library his report for the year 1906.

The Library was open 296 days, and it received 69,813 visitors. During the year 96,435 books, exclusive of periodicals and general works, were consulted; the Department of History issuing 30,240 volumes, the Department of Philosophy 18,621 volumes, and the Department of Art and Letters 12,690 volumes. The Museum drew 4,925 visitors.

The transfer of the Medical Department (72,679 books and pamphlets, exclusive of 7,167 duplicates) on the 7th of February, the facts of which are stated in the President's Report, accounts for the decrease in the contents of the Library and correspondingly in the totals of visitors and of books consulted.

The History rooms, on the third floor, were greatly improved by adding to them the two rooms formerly used for lectures and classes.

The Library Bindery bound 3,420 volumes, repaired 1,460 volumes, and mounted 1,788 maps.

The Library acquired by gift 2,161 volumes and pamphlets, by purchase 10,271; a total of 11,584 volumes and 848 pamphlets. The number of volumes purchased was unusually large, strengthening specially the Departments of History and Literature.

We begin the year with 179,967 volumes and 43,244 pamphlets, maps, manuscripts, etc.; a total of 223,211.

The number of current periodicals on file is 864, namely: American, 419; Belgian, 9; Bohemian, 1; Canadian, 7;

Danish, 1; Dutch, 5; English, 167; French, 66; German, 139; Italian, 23; Japanese, 3; North American Indian, 1; Norwegian, 1; Portuguese, 1; Spanish, 5; Swedish, 12; Swiss, 4.

Among the prominent gifts of the year may be named the following:

E. E. Ayer, Chicago, 1 volume Latin manuscript, 1728; 2 volumes, miscellaneous, and 18 folio volumes, forming the Botanical and Zoölogical parts of Humboldt and Bonpland's Voyage, 1799–1803, the most expensive edition issued; E.
